

# WMG Series

600 and 1200 models

WMG600

WMG1200

The WMG Series of weather resistant, surface electromagnetic locks are designed for high profile openings that require a tamper-resistant lock with an aesthetically pleasing appearance. A stainless steel housing, fire-rated epoxy seal, optional mounting bracket and an assortment of brackets enable the WMG Series to be used in a variety of applications. Designed for up to 600 lb. or 1200 lb. holding strength.

## Features and benefits

- Stainless steel housing
- Sealed with fire-rated epoxy for weather and tamper-resistant applications
- Optional mounting plate for quick, simple installation
